

**A language program children love!**  
**Classes offered after school!**

Our interactive program taught by experienced teachers makes learning conversational Spanish easy and fun. We meet once a week after school in a fun, relaxed environment. The positive language experience we offer - taught through songs, stories, puppetry and games - will foster openness to the sounds and culture of the Spanish language.

Price of \$250/semester + \$35 one-time material fee for 12 classes
