**JULY 8TH-12TH, 9:00-12:00**

Gamers unite! Join BCE librarian, Ms. Richter, to design a video game using Bloxels/Scratch and create your own board game. Campers will also learn new games and enjoy some old favorites. We will focus on video games, board games, card games, dice games, and active games. If you love working together, friendly competition, and having fun, Games Galore is the place for you!
